

A Special Thanks

To all the sponsors and golfers from previous years. We also would like to thank all those who participated and sponsored the Dyslexia Walk in lieu of the golf event last year.

We made the decision to cancel last year's golf event due to the world wide pandemic to keep all the participants as safe as possible.

We are happy with the increased safety this year thanks to the many vaccines available and additional safety measures put in place.

Millions of school children with dyslexia endure frustration and demoralization on a daily basis as they struggle to acquire reading and writing skills that many of us take for granted.

For over 14 years, the Scottish Rite Masons, Northern Masonic Jurisdiction, have been national leaders in the effort to help children and their families overcome the painful obstacles of dyslexia. The Scottish Rite Masons of the Valley of Harrisburg have been on the leading edge of this effort in Pennsylvania. The Children's Dyslexia Center of Central Pennsylvania has been in operation for more than 11 years helping children and their families tackle the challenge of dyslexia, by providing free tutoring for children and training a growing corps of highly skilled and dedicated tutors.

Children who participate in the program receive at no cost one-on-one multi-sensory reading and written language tutoring. School teachers and other interested individuals have received training to become certified tutors at no cost. The Children's Dyslexia Centers strive to give each child the tools they need to have a successful and happy life.

This mission is carried out free of charge, without regard to race, color, sex, creed, sect, or Masonic affiliation
